

AMP-1-0737708-2 | AMP STACK III 25 H/TP KIT

## Body Features

Connector Module Color      Transparent/Green-Ivory/Transparent

## Configuration Features

Number of Pairs      25

## Contact Features

Contact Base Material      Phosphor bronze

Contact Mating Area Plating Material      Tin

## Dimensions

Insulation Diameter (Max)      1.65 mm | 0.06 in

Wire/Cable Size      .08 – .6 mm<sup>2</sup> | 28 – 20 AWG

## Housing Features

Housing Material      Polycarbonate GF

## Other

Comment      Components consist of Base, Body Assembly and Cover.

Connector Module Type      Dry

## Packaging Features

Packaging Method      Bag/Box

Packaging Quantity      12

## Product Availability

Region      North America

## Product Type Features

Product Type      Connector

Type of Connector      Half-Tap

## Regulatory Compliance/Certifications

**Agency**  
RoHS 2011/65/EU

**Classification**  
Compliant
